

READY FOR RAIL

My Outreach Coordinator:

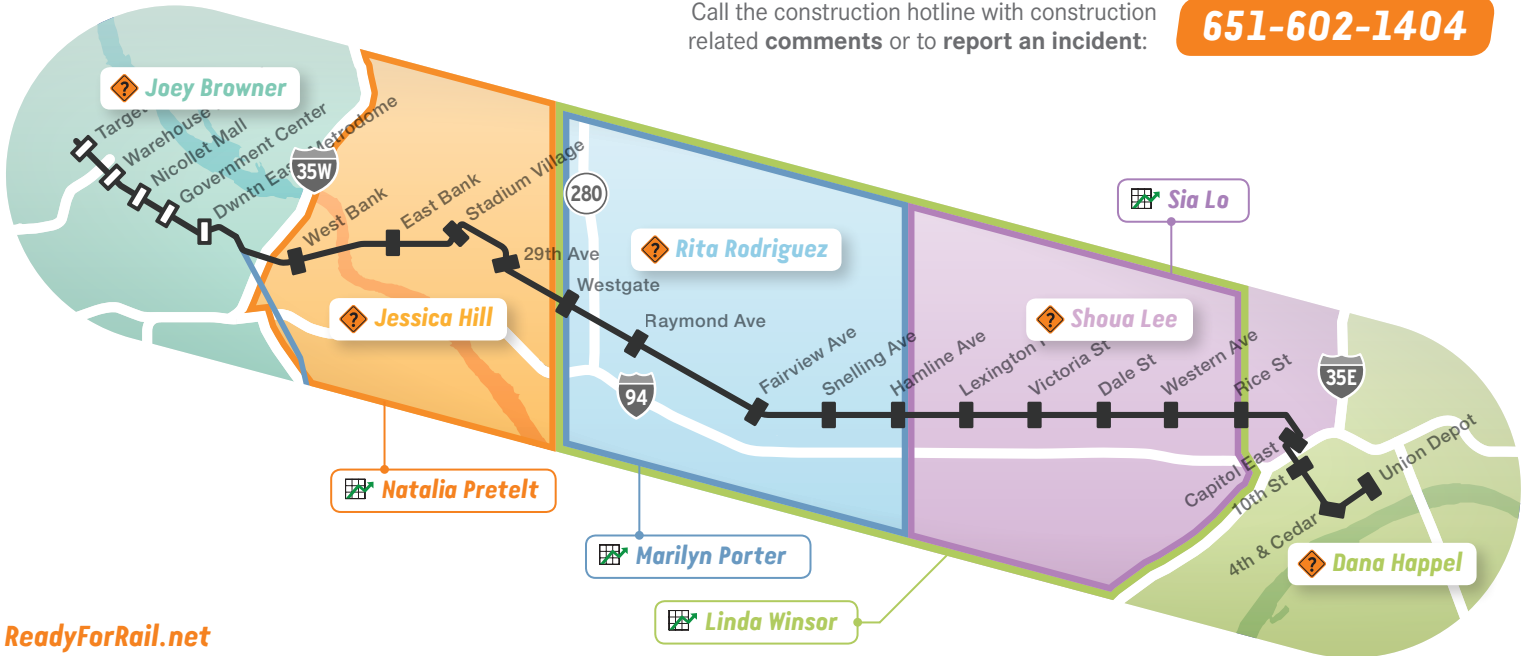

My Business Consultant:

Call the construction hotline with construction related **comments** or to **report an incident**:

651-602-1404

For Construction Information

Outreach Coordinators will work with you on LRT construction and operation issues. They are assigned to neighborhoods along the corridor. You can also provide construction related **comments** or **report an incident** 24 hours a day on the Construction Hotline at **651-602-1404**. And for construction news and information online, visit www.centralcorridor.org.
